

GTE Assessment

The information below is to be supplied to EIT in support of an application for admission to EIT to demonstrate that you satisfy the genuine temporary entrant (GTE) and genuine student (GS) requirements of EIT.

We encourage you to put as much information into this document as possible to help create a holistic view of your circumstances. Answers should be personalised, as generic statements will not be considered favourably e.g. saying 'The course is of good quality and will help me get a job' would be unacceptable.

Please note that we can make a decision on a student application with the information provided (including the information given in this document). There is no requirement for EIT's Admissions Officers to request further information from an applicant.

Applicants are required to complete all sections of this document in their own words. If a section is not relevant, please respond using N/A.
