Scholarship Application Form
Current Student Scholarships

Please visit the scholarships page on our website for more information on each scholarship and eligibility criteria.

HOW TO APPLY:
STEP 1: Complete this Scholarship Application form.
STEP 2: Submit the Scholarship Application form to scholarships@eit.edu.au.
STEP 3: You will be notified whether or not you have been awarded the scholarship after the cut-off date.

Please note: Some scholarships are awarded based on your academic results, the actual scholarship selection made by the EIT Scholarship panel is not confirmed until you have completed the previous teaching period and all results have been released.

Please do not let this stop you from applying; you do not have to wait until the release of your academic results as we can apply scholarships retrospectively and refund any difference in tuition fees due if you are successful.
